Welcome Message

We are thrilled to announce that the 16th Pacific Rim Conference on Lasers and Electro-Optics (CLEO-PR 2024) will be held as in-person-only meeting from August 4 to 9, 2024, at the Songdo Convensia in Incheon, Korea. The CLEO Pacific Rim has provided researchers and professionals around the world in the fields of optics and photonics with unparalleled opportunities to explore the latest advancements in technology and review principles ranging from laser physics to engineering applications.

Building on the tremendous success of past conferences, including the ones held in Seoul in 1999 and 2007 as well as in Busan in 2015, the organizing committee of the CLEO-PR 2024 is delighted to bring this conference back to Korea. We are extremely pleased to host this conference in Incheon, a vibrant city known for the technological advances and rich cultural heritage.

By attending CLEO-PR 2024, you will have the opportunity to engage with leading experts, exchange knowledge, and foster collaborations. Whether you are an academic researcher, an industry professional, or a curious student, this conference promises to offer a diverse program that caters to your interests and ambitions.

Come and join us in Incheon to experience the state-of-the-art of laser and electro-optics research, immerse yourself in stimulating discussions, and explore the unique charm of Incheon. We look forward to welcoming you to CLEO-PR 2024 and hope that you will enjoy all that Incheon has to offer!

CLEO-PR History

CLEO/PR provides a forum for an update and review of a wide range of lasers and electro-optics disciplines from device development to systems engineering and applications. The meeting also serves to stimulate the use of more mature optical technologies in other fields.

■ Topics

- C1 Solid State, Fiber, and Other Laser Sources
- C2 Ultrafast and Nonlinear Phenomena
- C3 Infrared and Terahertz Technologies and Applications
- C4 High Power, High Energy Lasers
- C5 Laser Processing and Innovative Applications
- C6 Optical and Photonic Metrology
- C7 Quantum Optics, Atomic Physics and Quantum Information
- C8 Micro-, Nano-, and Low-Dimensional Photonics
- C9 Optical Communication Systems and Networks
- C10 Optical Fiber and Waveguide Technologies
- C11 Semiconductor and Integrated Photonic Devices
- C12 Microwave Photonics and Optical Signal Processing
- C13 Biophotonics and Applications
- C14 Plasmonics and Metamaterials
- C15 Optical Sensors, Display, and Imaging Systems
- C16 Machine Learning in Optics and Photonics

Sponsorship application schedule and Process

Application Deadline **March 31, 2024**

Deposit Deadline **April 30, 2024**

STEP 1

Please fill out sponsorship application form and email it to the CLEO-PR 2024 secretariat (exhibition@cleopr2024.org)
